

## Payment and Delivery Policy

1. Payment for the order is made using the PayPal (<https://paypal.com>) or 2Checkout (<https://2checkout.com>) payment systems. You can pay for the order on the <https://glexotools.com> website. You can contact us as well, if it is more convenient for you and we will send you PayPal or 2Checkout invoice on your email address. Other payment methods are not accepted at the moment, until this paragraph will be changed.
2. Delivery of the order is free of charge to any part of the world.
3. The delivery address linked to the PayPal or 2Checkout payment account of the customer is used. The change of the delivery address is possible, and is carried out individually through the appropriate request to our email address [info@glexotools.com](mailto:info@glexotools.com)
4. The delivery time depends on many factors and cannot be set unambiguously. Usually it takes from 12 to 17 business days; however it may change in each individual case.
5. Your order may be subjected to customs and import duties, depending on the country where you make the order from. Obligations to pay such costs always lie on the customer and are not refunded in any way with no exceptions.
6. We reserve the right to update or change our Payment and Delivery Policy at any time and you should check this Payment and Delivery Policy periodically. Your continued use of the Service after we post any modifications to the Payment and Delivery Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Payment and Delivery Policy.

If you have any questions about Payment and Delivery Policy, please contact us any of the methods specified on the site <https://glexotools.com>.
